About Bidding

Our sales are conducted in Canadian dollars, which often means favorable exchange rates for US and worldwide bidders. Buyers with shipments outside Canada are not charged Canadian federal or provincial taxes.

Advance Bidding: We accept advance bids in various ways:

- online, using Philasearch or at StampAuctionNetwork.com
- you can mail us a printed bidsheet (included with the print catalogue and also available for download from our site), or fax it to us at 613-567-2972. NB: If you mail us a bidsheet, please call before the sale to confirm that we have received it. Please do not mail bidsheets less than a week before the sale.
- you can call us at 613-567-3336 with your bids. Our toll-free number in North America is 844-252-2032.
- E-mail bids also work well; simply provide the lot number and your maximum bid in Canadian dollars.

Bidding Live on the Auction Floor – we are pleased to welcome bidders to our office in Ottawa, Canada to participate in the sale.

Telephone Bidding: We can arrange for you to participate in the sale via telephone, as per our Terms & Conditions of Sale. Phone bidding must be arranged at least one day in advance so we can assign a staff person to call you at the time the lots you want come up for sale. In general, telephone bidding is best for more expensive items. We encourage bidders in most instances to instead leave a proxy bid with an agent, or to use Live Bidding on Stamp Auction Network to make sure their bids are executed in the way they would like. Please contact us for more information at 613-567-3336.

Auction Agents: An agent on the floor is a good way to make sure your bidding intentions are well-represented if you cannot participate in person. Auction agents can view material, execute OR bids and limit bids, and maintain your anonymity if desired. We recommend the following agents:
